

Frequently Asked Question

How many grants will be gifted?

Our hope is to give as much as we can to as many families as possible. However we are completely dependent on the amount of donations we receive. It is our policy to keep operating costs down to a minimum so that we can give the most grants possible. However, in order to keep the organization running, we must have the ability to control the number of grants and amount of grants given in each grant session. Those numbers may change from year to year. As our fundraising base grows, our ability to help others will too.

When are Grants Distributed?

Applications will be accepted starting September 15th-October 15th. If you are selected for a grant, you will be notified on or before November 15th.

Does My Income Make Me Ineligible?

We recognize income does not necessarily define a family's needs and there may be underlying circumstances such as medical expenses, divorce, etc. Please tell us your story as income is not the sole factor when determining how grants will be awarded.
